INTRODUCTION

VKC Customer portal is a web based application used by Customers (Dealers) of VKC. The Dealers can do following things in the application

- Browse through the Items,
- Placing Orders,
- See their Current outstanding details,
- Update their Stock,
- See their Target vs. Achieved.

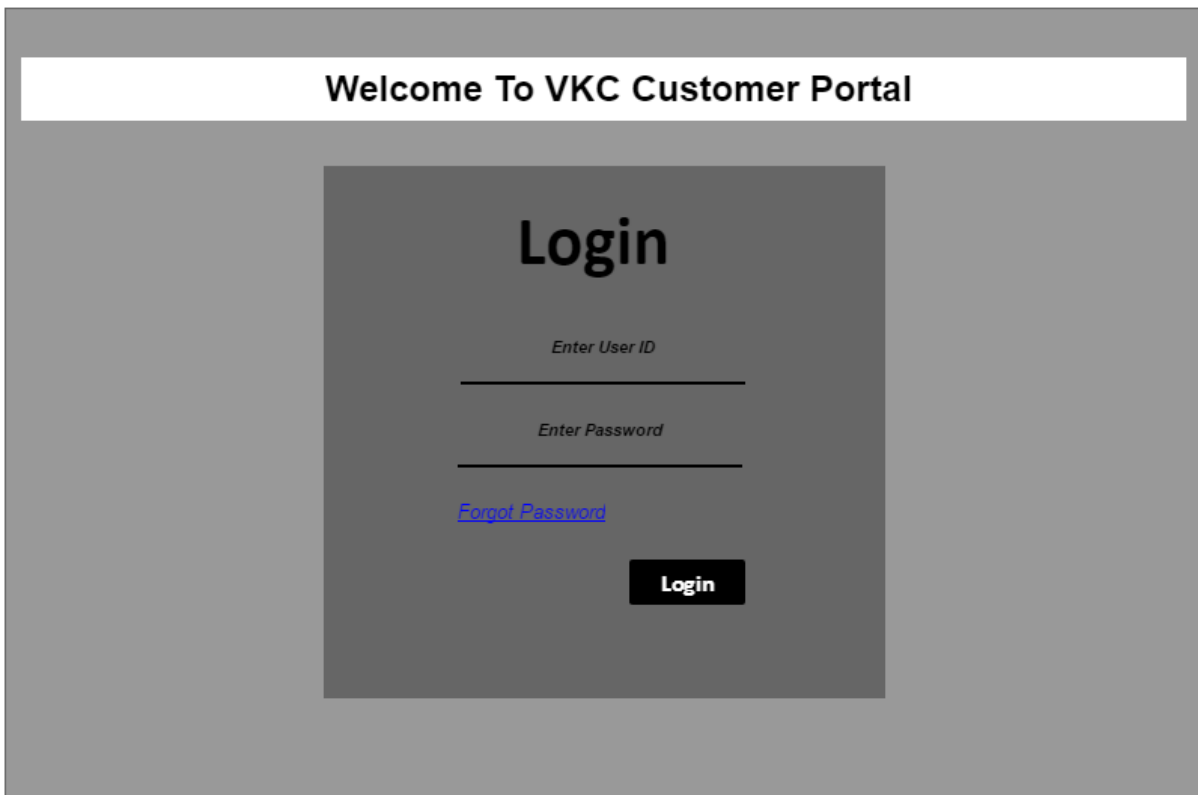

Items and Outstanding bills will be synced from SAP. Orders placed from the Customer portal must be approved by an Administrator in order to sync with SAP.

In Administration portal, Admin can do the following things

- Approve Orders placed by the Customers,
- See the Stock updated by the Customers,
- Set the target for the Customers
- See the Target vs. Achieved

Login

Each Customer will be provided with a Username and a default Password will be generated by the Administrator. Username will be Customer Code. After Login, Customer able to change their default password.

The screenshot displays the VKC Customer Portal login interface. At the top, a white banner with a black border contains the text "Welcome To VKC Customer Portal". Below this, a dark gray rectangular box serves as the login form. Inside this box, the word "Login" is centered in a large, bold, black font. Underneath, there are two input fields: the first is labeled "Enter User ID" and the second is labeled "Enter Password", both in a smaller, italicized font. Below the password field is a blue, underlined link that reads "Forgot Password". At the bottom right of the login box is a black button with the word "Login" in white text.
